

DISTRICT GOVERNOR BILL BRADFIELD'S MESSAGE

**District 11E1 Report/D.A.D. Report
Bill Bradfield DG11E1/Chairperson D.A.D. Statewide**

We still continue to bring in new members and we have sworn in 3 more in the last month. All of our officers continue to promote new membership and retention and it is helping. Our youngest member is Rachael Anderson at 18 years old and our senior is Dave Low at 94 years young both in the Cadillac Club. Our annual convention is scheduled for April 22 and 23 at the Evergreen Resort (231-775-9947) in Cadillac. If you are interested in attending please contact PDG Pam Schroeder at dgibbons4870@charter.net. Our guest speaker will be PID Bruce Beck from Minnesota. Friday night will be a Western theme. We will also be providing free A1C testing to check your blood level's for Diabetes. This test will show your average blood level for the previous 90 days.

D.A.D.—Our “Defense Against Diabetes” grant—is winding down. As required in the grant, we will be continuing this great program under the same title that has resonated throughout the State of Michigan since 2017, 6 years ago. We have received tributes and accolades from a Republican Governor and a Democratic Governor not to mention Clinics, Hospitals, and Medical Centers all across the Great State of Michigan. The D.A.D. program has left it's professional mark with the American Association of Diabetes Educators, the Michigan State University Extension programs, the Michigan Kidney Foundation, the Area Agency for the Aging, and the American Diabetes Association serving over 15,000 needy people who suffer daily with this horrible disease and we completed it during the worst Pandemic the World has ever seen. District 11E1, 11E2, and SD 10 have already started the continuation of the DAD program in each of their districts. District 11E1 begins its next Dinning with Diabetes program on April 13, 20, 27, and May 4th and it will be in person at the White Cloud Lion's Den.

IWD—International Women's Day is March 8. *End the Bias* is the theme for this year and the US Women's Soccer team has something special to celebrate. They just won their law suit to be paid the same as the men's team. A 24 MILLION DOLLAR SETTLEMENT! New meaning to “The same play, the same pay”. After all we have women CEO's, women doctor's, women lawyers, women coaches, women scientist's, women senator's, women Congresspersons, women astronaut's, and even a women Vice President of the United States. Just think about every single fundraiser that we have as Lions, yes the women are always helping to make them a success. “Bravo Ladies” Have a Happy March 8. DG Bill Bradfield

Fellow Lions: Look at that calendar; we are marching right into March. The month of March brings many changes, not only in our weather, but with our “snowbird” Lions returning back north and joining their home clubs.

March 8th is International Woman's Day and the last couple of years we held a virtual get together, but this year I thought let's have the clubs celebrate the women and men in their clubs, family, and communities. Clubs are having more meetings together so, make sure ALL your Lions feel comfortable at meetings and get to know everyone. During the last couple of years, we have inducted several new Lions, make them feel welcome.

Remember, ALL Lions have a voice, include everyone—New Voices!

- The State Convention is in May. I will be posting all the information very soon, look for it on our district Facebook page and from your club president and secretary. [Registration form pg. 18]
- Lions, District 11E1 Convention information is listed for all Lions. [Forms pages 4 - 8]
- Lions, we need you for our district chairpersons. Consider the great joy and friendship you receive from being with fellow Lions from our district.

Keep Smiling Lions and Be Positive, We Serve From The Heart!

2nd VDG Jim Patterson's Message

I learned a valuable lesson recently and I want to pass it on. It sort of ties in with what I wrote about in February about accepting a leadership role. To get the full importance of what I'm about to say you need a little background first.

My home club is the Fremont Lions. Our club has been putting on pancake breakfasts and suppers since it was chartered in 1960. During the 1960s and 70s our pancake supper was “the” big event in town with lines stretching around the block. Since 2013 I have been the committee chair for that event. I had this event down to a science and we always made a comfortable amount of profit. So I never came up with anything new. After all, you don't fix what ain't broke. To put it mildly, we are a

well-oiled machine when it comes to slapping pancakes on plates.

So, when the opportunity came to add one more event we said, “No problem.” The local Chamber of Commerce and the Community Recreation Center came up with a plan for a winter festival and in late January we held our inaugural “Cabin Fever Winter Fest” breakfast. Only there was a problem.

I was scheduled for some outpatient surgery and would be out of commission for the date. Two members stepped up to the plate and volunteered to take over. “Wow!” You might say, “it took two to replace little ol' you?!” Hardly...I'm retired...I got time. They are working full-time jobs.

These Lions took it to another level. They put their heads together and came up with a couple of unique twists that generated considerable new income for the event. They also created a theme that resonated with the good folks that showed up to eat and created a lot of positive reaction. They did a fantastic job.

And now, here is the valuable lesson: It is vital that committee chairs change from time to time. New personnel bring new ideas, new ways of looking at an old project, a new attitude. I see that now. After nearly ten years, I was cruising in my chairmanship. Things were smo-oo-ooth. But having new leadership (first-timers, both of them) brought new energy and new life to our signature project. It was wonderful!

It's easy to overlook that important principle. If your club has long standing chairpersons for your events, things usually go off without a hitch. But it's time to stir things up. In the timeless words of Frankie Laine, "Move 'em on, head 'em up, cut 'em out, cut 'em in, Rawhide!" Getting people out of their comfort zone brings new life to old events. New committee chairs bring new ideas. Who knows, you just may increase your fundraising by 25% like we did.

DISTRICT 11E1 MARCH LION OF THE MONTH LION AL MARSHALL WEIDMAN LIONS CLUB

Al Marshall has been a hard-working and valued member of the Weidman Lions Club for 51 years ago. He has served in several positions in the club including President for three terms. The club became the sponsor of the Barryton Lions Club during his tenure. He has been heavily involved in club fundraisers including Fish Fries, White Cane, Bingo, Light Bulb sales, Broom Sales and most recently, food sales at the Wheatland Music Festival. His excellent carpentry skills have been used in the construction of a concession stand and restroom at the city park, a Santa House, Flag Poles, several benches for the downtown area of Weidman, and a pole barn for the sales activity at Wheatland. His mechanical skills have been

instrumental in the construction, remodeling, and maintenance of our cook truck, cook trailer and other equipment for food service at Wheatland which allows our club to make about \$20,000 profit each year. Al suffered the loss of his home recently due to a fire but that has not prevented him from remaining a highly active and loving family man. His family is number one to Al. He has built a multitude of furnishings for his home and family including such major projects as decks and a bridge across a creek near his daughter's cottage. He has been the Weidman's Lions Man of the year for over 50 years. **CONGRATULATIONS TO LION AL MARSHALL, DISTRICT 11 E1 LION OF THE MONTH!**

ARE OUR LIONS CLUBS DYING???

A gross title to this article but it could be true. We have lost several clubs over the last few years in District 11 E1. Everyone asks, "What Happened?" What happened is that we stopped communicating with each other, our community, and our goals. We stopped having fun, creating new ideas, and living only by old standards. Saying, what was good for the goose is good for the gander, is an old adage, THAT NO LONGER FITS. COVID 19 has challenged us and we have responded in many ways. We have developed new ways of approaching everyday living habits. However, have we infused these new ideas into making appealing changes in our clubs, methods, and goals? Ask yourself—What is appealing about my club? Is it fun to go to meetings? Do we interact with other members? Does everyone participate in some way? Have we ever thought about new activities or different ways of doing things or will we irritate club members, if we do? Sometimes, we need to take the bull by the horns (another old adage) and make a difference! Members will only continue to be Lions, if they feel a sense of accomplishment. You are not going to bring in new members unless you have something tangible to offer them. There are other community clubs that can do it. Ask yourself ONE BIG QUESTION, "How can I make a difference in my club, make it appealing to others, and serve our goal, "TO SERVE"?"

District 11E1 Convention 2022

NEW LOCATION

April 22 – 23, 2022

Evergreen Resort, 7880 Mackinaw Trail, Cadillac, MI 49601

The convention will soon be here. There are some changes for the convention this year.

The Memorial Service will be on Friday night at 5:30 p.m. Please get your information to Lion Jerry Brandt for the service. It would be Lions you have lost since the last convention. Our Lions cannot be properly recognized if the information is not sent to Lion Jerry.

We will again be doing the Tidbit Booklet. Send in info to PCC Janalee McClure. What a great way to Honor a Lion in your club, or to advertise an event for your Club. This is a money maker to help keep costs for our meals down at the convention. [see pg. 7 for form]

Auction items are needed, as this will offset costs for the 2023 convention. It helps to keep the convention reasonable for everyone.

All district project chairs need to let me know if you want a table at the convention to share information about your project.

There will be a new member lunch for anyone that has joined since the last convention. Everyone will have to pay the registration fee, even the inductees.

Banner Parade is before lunch on Saturday. Show your club banner and be proud to be a member club.

2nd VDG Jim is going to teach us how to use word, Excel and how to do a power point. Join us to get some great information on the computer. The second session is still being worked on.

PID Bruce Beck from Minnesota will be our guest speaker, and will have lots to share.

Hope you join us for a week-end of fun, friendship and learning.
Send your registration forms in soon to PDG Pam.

EAT WELL - MICHIGAN LIONS COOKBOOKS

The Michigan Lions Foundation has taken advantage of the great cooking that our Lions are doing around the state. COVID 19 started a spree of HOME COOKING with restaurants closed and fewer people eating out. We are just getting back to eating out. However, the value of our home cooking experiences has turned non-cooks into gourmet chefs and the opportunity to dig out Mom and grandma's old recipes. Delicious recipes that tickle the palate. The Michigan Lions Foundation has taken advantage of this situation to share with you these wonderful and sometimes quick to prepare recipes. This is a fundraiser for the Foundation and can be one for any club. Cookbooks sell for \$15.00 and any club that sells 20 plus cookbooks can earn \$5.00 for each cookbook sold.

Cookbooks can be ordered from the Foundation (see page 14 of newsletter for order form) or your Foundation representatives Lion Pam Schroeder or Lion Pete Conarty.

Lions of Michigan Foundation Dr. Robert Mathog Lions Hearing Centers Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of their hearing loss. Lions Clubs or other nonprofit organizations who sell 20 or more cookbooks collectively will receive a \$5 rebate for each book sold to be used for their local projects.

As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!
