From the Governor

Greeting Fellow Lions

First of all I want to send out prayers and ask that you all read 2nd VDG Mike Howard's section in this newsletter. Please keep Mike & Suzanne in your thoughts and prayers as well!

Tim Anderson

Our 2013-2014 District Membership Goal was reached on February 17th and my personal "Dream" goal was reached a few days later so as promised both 1st Lady Christina and I will be taking pies to our faces on Saturday March 22nd at the district convention in Holland and let's not forget I'll also be shaving off my beard so make sure to attend this year's convention you definitely don't want miss this VERY special event!

Since meeting our goal the Lions of our District haven't stopped and it's recently come to my attention that we're only 38 members away from setting a 25 year high in bringing in new members. 209 will be the magic number to reach and as of today we are "Officially" at 171 with the recent addition of the Crossroads Lions Club putting us just 38 new Lions away from setting this record!

This time if you all except this challenge we'll be doing a count up and together we can do this! We have 4 months left and our monthly average so far this year has been 15.5 new members every month so with our snow birds returning shortly and clubs returning to normal schedules for their meetings we can continue to make our district grow! GROW LIONS!

The number at the top of the page is at 171 we've grown and we're continuing to grow! With a third of this year still in front of us I say LET'S ROAR! Let's make a difference and Let's get out there and do what Lions do best SERVE our communities!

"Follow Your Dreams" (209)

CATCH YOUR DREAMS!

“*Unsung Heroes*”

A special “**Thank You**” goes out to the following Lions for all they do for their clubs and community!

On February 3rd while visiting with the **Greenville Lions Club** we enjoyed a nice meal, a joke or two and of course a song. The club was in a FUN mood so I tried to keep that going when I was asked to speak.

Being my official visit I filled the club in on how the district was doing so far this year, about membership and our growth adding 2 new clubs so far and through this being able to help more areas and people with what we do as Lions.

I passed out several chevrons marking member’s years of service and talked about my travels and honoring those as I do, I asked **Lion Mary Kozler** to come forward. I explained how it’s sometimes difficult to find just 1 person but this year that was my goal and I then named Lion Mary the “Unsung Hero” of the Greenville Lions Club.

Her fellow Lions applauded some stood as I shook Lion Mary's hand, then I brought out her pin holding high enough so all could see. I explain to them all what this pin meant, how she should wear it with pride, I then held out her certificate reading it aloud for all to hear before presenting it to her.

At this point we paused for pictures several came up to help Lion Deb with the camera, and after I once again shook Lion Mary's hand, patted her on the back for a job well done and loudly “THANKED” for all she does for her club and community. The applause started again as Lion Mary returned to her seat.

Congratulations Lion Mary Kozler on being named the Greenville Lions Clubs “Unsung Hero!”

February 13th my wife and I had a GREAT visit with the **Stanton Lions Club** during their Ladies night held at Maxfield's Restaurant. The club is growing recently adding their first women members and on this night coming together to celebrate and plan for their future!

After sharing fellowship, good conversation and the company of the Lions oh and of course Maxfield's famous buffet dinner King Lion Larry talked about the clubs successes and shared ideas on how to reach out and better serve their community.

After which I was introduced and asked to speak. I shared our districts goals and its successes, its growth in members and clubs so far this year. I gave out 4 Michigan Safari pins to members who helped their club grow by bringing in new members.

I spoke about clubs and the lions within them and how this year I'm recognizing one special lion at each club. At this point I asked **Lion Jay Tans** to stand and join me and as he approached I introduced him as the Stanton Lions "Unsung Hero"!

The room broke out into applause as I reached out and shook Lion Jays hand as he smiled back at me he thanked me and I stopped him telling him "No I'm here to Thank you"! I then held out his pin showing him first then the rest of the room and as I presented to him I told him how important how rare this pin was only 47 other will have it this year one per club and he should wear it with pride!

I then held up the matching certificate and read it aloud as I finished the applause started again, we paused for a picture or two and as things quieted down I shook his hand one last time patted him on the back and loudly "Thanked" him for all he does!

Congratulations Lion Jay Tans on being named the Stanton Lions Clubs "Unsung Hero"!

February 18th during the **Kingsley Lions Clubs** Charter Night I recognized one of their new members for all the work she has done for her club. This young Lady Lion headed their Christmas Party Committee and also their Charter Night Committee helping to make this night a success! I asked **Lion Nicole Hitchings** to join me up front and as she approached I named her the "Unsung Hero" of the Kingsley Lions Club.

The Lions present all began to clap and congratulate Lion Nicole, I then held out her pin showing her and telling her how special this was and how only a few would wear this pin, I then held out her certificate showing her then holding it up and reading it aloud for all present to hear.

As the applause started again and Nicole giggled uncomfortably at the attention we posed for a picture or two as cameras came out. Afterwards I patted her on her back, shook her hand and loudly and clearly for all in the room I "Thanked" her for all she does.

Congratulation Lion Nicole Hitchings on being named the Kingsley Lions Clubs "Unsung Hero"!

Pete Conarty

1st Vice District Governor

Greetings Lions,

I know that you have been keeping up with DG Tim's news bulletins on 2nd VDG Mike Howard's condition. The latest news is that he is making a slow but good recovery. Our prayers are for a

complete healing in the next few months and for his wife, Suzanne, and family at this difficult time.

What an exciting time to be a Lion in District 11 E1. Our membership numbers are up, two new clubs have been added to our roster, we had a great Michigan Forum in Lansing, and our District Convention is in a few weeks. The agenda for the convention looks awesome with great breakout sessions, social interaction, and some dynamic presentations.

Don't miss out on the action.

It's time to think "Spring" and our GLT Team Coordinator Dick Perrin is busy scheduling new officer trainings through our Zone Chairs. These meetings will be held primarily in late April and May and are for new and continuing club officers. We urge officers that will repeat in office to attend as they have a lot to contribute to our trainings.

See you at the Convention.

BARBER NEEDED

A steady hand and kind heart appreciated

Call the

District Governor!

Mike Howard

2nd Vice District Governor

Lion Friends

I want to let you all know that Mike fell down our basement steps a few weeks ago and landed head first on the cement floor below. He fractured his skull and neck, broke his nose and jaw and was airlifted to Covenant Hospital in Saginaw.

If you know Mike you know he's a fighter and after surgery that first night to relieve the pressure on his brain and stop a bleed he opened his eyes the next day. Since then Mike has recently had surgery to fuse his neck and when he's strong enough they will fix his jaw and face.

For now Mike remains in the trauma unit at Covenant Hospital where his body is healing and growing stronger preparing him for the next surgery. I'm spending as much time as I can with him even though he isn't always awake I want him to know I'm there.

I would like to thank everyone who has sent cards and prayers there's a long road ahead of us and it helps knowing we have so many people that care.

Baby Steps is the best way to describe Mike's recovery but any step forward is a step in the right direction.

GOD BLESS

And as Mike always says ~ LET the LIONS ROAR

Big Rapids Lions

Big Rapids Lions Club Distributes "Teen Bags" to Area Homeless Teens

The Big Rapids Lions Club recently distributed "Lions Club Teen Bags" to homeless teens in the Big Rapids area.

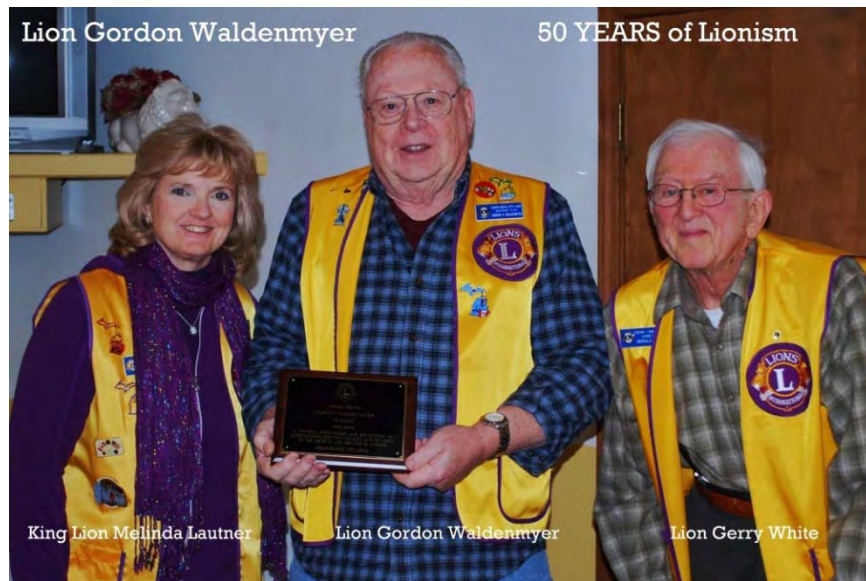

In cooperation with personnel at the high school, middle school and the Youth Attention Center, Lions Bob and Mary Clark delivered bags filled with personal hygiene items, hats, gloves, socks, snacks, and tickets for the local dial-a-ride system. The bags for guys contain items appropriate for them and, of course, the bags for girls contain items appropriate for them. "Smile" activity boxes were also distributed for homeless elementary kids along with a bag full of snacks.

Over fifty bags were distributed this time and we will provide more as the need arises. Thanks again to Lion Bob and Lion Mary for all of their efforts on this project.

Project KidSight Screening

The Big Rapids Lions and the Big Rapids Masonic Lodge participated in the Eastwood Elementary School Family Night in February. The Big Rapids Lions held a KidSight screening. Lion Bob Thompson and Lion Karlis Greizis from the Weidman Lions Club helped with taking the pictures. The Big Rapids Masons held their Masonic Child I.D. program. Thanks to Lion Bob, Lion Karlis of the Weidman Lions Club and the Big Rapids Lions who helped that night.

At the recent Christmas program for Big Jackson public school, awards were given out to the contestants in the annual LCI Peace Poster contest. First place winner, Megan Coisineau was not present, but will receive a check from the Baldwin Lions Club for \$50. Pictured with PDG's Laura and Harry Johnson is the second place winner, Autumn Wilkinson, who received a check for \$25.

Coleman Lions

High School Senior, Sam Robison, son of Lions Nancy and Leon Robison and grandson of Lion Ellen Maynard, spoke to the Coleman Lions members about his experience at the 4-H Congress Convention in Atlanta last November.

Sam was one of 12 students from Michigan to attend the National meeting. He showed slides and spoke about the places they visited and the project of cleaning up a park in a low income Atlanta neighborhood. Sam said he learned a lot about himself and gained leadership skills through this experience. He thanked Coleman Lions for their help with travel expenses for the trip.

“Did You Know”

11E1 currently has 46 clubs but what is the highest number of clubs that our district has ever had at one time?

Crossroads Lions

The Crossroads Lions move ahead towards their Charter Night with the club officers recently completing the required Officer Training and the membership being inducted and then the officers installed all at their February 27th meeting.

The club is planning for the future laying out projects and setting up a Chili Cook-off to be held at the end of March. Proceeds from this event are to be used to help cover the vision assistance requests that are already coming in from the community.

The club hopes to see and meet many of their fellow 11E1 Lions at their Charter Night on March 6th.

Kingsley Lions

The Kingsley Lions held their Charter Night on February 18th with Lions from all over our district in attendance to help welcome this new club. ID Esther LaMothe was the special guest speaker taking the club and Lions present on a picnic which she used as a metaphor on creating and planning a successful club.

A “Thank You” from the club goes out to all that attended and for your show of support!

FOLLOW YOUR DREAM

Special THANKS goes out to ID Esther LaMothe for sharing this evening with us!

Midland Lions

MIDLAND LIONS ACT TO RELIEVE HUNGER

On January 15th a dozen Midland Lions got together with other volunteers from the Midland County Emergency Food Pantry Network to provide food for needy families in Midland County at the Midland Civic Arena (Ice Rink).

The truckload of food, purchased by the Midland Lions Club served 294 (260, last year) families (895 people, 844 last year) with meat, bread, potatoes, vegetables and other staples to help supplement their food supply during these cold winter times. This is in addition to the support the Lions Club provides for the Back Pack Buddies program for elementary school students during the school year.

Congratulations Governor Tim on receiving this well-deserved honor!

Opportunities Unlimited for the Blind (OUB) is busy planning our summer season.

We recently, January 17-19 had a weekend adventure at our new camping location, Indian Trails Camp. Snow Much fun was a big success, it was the event and there was plenty to do inside and out. It made for a very fun weekend for the kids.

Indian Trails Camp is a camp for Handicapped children 8 miles west of down town Grand Rapids on Lake Michigan Drive. They have been there serving Handicapped children and adults for many years. They have had no experience working with Blind children and Adults and here is where OUB comes in. We are bringing our people to them and we are promoting our programs and we are trying to raise moneys to run our programs at Indian Trails Camp.

Many Clubs have donated this year but many clubs have not and we hope they can find it in their hearts to donate what they can in the future. We will have a table at the District Convention and we hope you will come up and see what we have to offer.

I have not had one invite to put on a program in our District and I am ready and willing to meet you at your Club and put on a nice presentation. My E-mail address is w8wr@arrl.net or you can call me at (616) 754-9213. I look forward to hearing from you soon.

Please note in the future any donations should be made out to OUB - Opportunities Unlimited for the Blind and **NOT** to Camp Tuhsmeheeta. Checks made out to Camp T cannot be cashed!

The World's Longest Lunch Relay

THERES STILL TIME TO GET RESGISTERED! The Lions World Lunch Relay kicks off on April 4th at noon, and we'd like you to be a part of this special Family & Friends Month event! The Lions World Lunch Relay is a 24-hour, international event that brings families and friends of Lions together in their local communities with families and friends of Lions around the world. It's a great opportunity to share a meal and celebrate your club's success, the value of service, and the rewards of being a Lion.

Here's how the Lions World Lunch Relay works:

Participating clubs will schedule a lunch for their family and friends on April 4th. The Lunch Relay will begin in New Zealand at noon. As clubs around the world host lunches in different international time zones, the Lunch Relay will move from time zone to time zone as Lions steadily pass the event around the world, forming the Lions World Lunch Relay!

Here's how your club can join the Lions World Lunch Relay:

1. Plan your lunch event – Choose a location and menu that's good for you.
2. Register your lunch event – Share the time and location for your lunch.
3. Celebrate your event – Take photos and share the fun through social media.

**Memorial Service Information for
District Convention 2014
For 11-C1 & 11-E1**

Dear Club Secretary,

As you know, each year, at the District Convention, we remember and honor those Lions who have gone to serve in the Kingdom beyond. The District Convention in 2014 will be a joint convention of District 11-C1 and 11-E1. It will be held at the Double Tree Hotel, 650 E. 24th St., Holland, MI 49423 on March 21, 22, & 23, 2014.

To prepare for the Sunday Morning Memorial Service takes a lot of time and the cooperation of all Lions Clubs in the Districts.

If your club has lost a member since the 2013 District Convention, I would like to receive the information now so that we can begin to put the memorial together. You will find attached to this letter an information sheet. Please fill out the form and send it to me, along with a picture of the deceased member.

As the convention nears, we will contact you with final arrangements. We would suggest that your club pay the registration for a family member to be present at the Memorial Service to light a candle on the altar table in memory of their loved one.

If your club loses any members to death prior to March 1, 2014, please forward the same information for that member at the earliest convenience. This will make the final preparations for the Memorial Service go much smoother.

Please note that if any Lions member passes after March 1, 2014, they will be in the Memorial Service at the District Convention in 2015. We do not have time to add Lions members at the District Convention with everything else that is going on.

Thank you for your assistance.

Yours in Lionism,

Lion Debbie Kreitner

Lions of Michigan All State Band

Hello fellow Lions!

I wanted to bring to your attention that we have several students in our 11 E-1 District that were chosen to be a part of the Michigan All State Band.

This year the International Convention will be in Toronto Canada and the students themselves have to pay the \$1179.00 Tour Cost which covers; meals, 2 band uniforms, transportation, hotel and admissions costs.

Students Are:

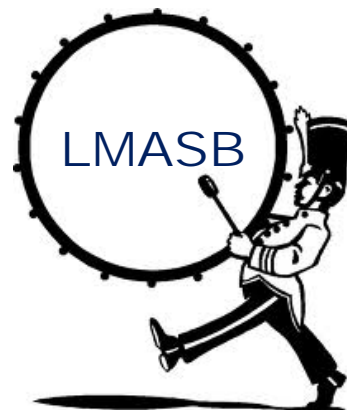

McBain--Joel Vredenburg
Caleb Vredenburg
Joshua Low
Zachary Utecht
Evert--Reanna Averill
Carson City--Taylor Benaudez

I cannot express how important it is to support our youth in such a wonderful way, I am hoping your club will consider donating to the students themselves (send check with their name on Memo) or just a donation (however if you send just a donation please take note that goes to administrative fees which cover various things but not the students).

Send Donations to:

Thank you

The pilot class of Leader Dog's Orientation & Mobility (O&M) Training program took place in January 2002. Each of the six clients was paired with an O&M student from Western Michigan University (WMU) and training was supervised by Rod Haneline. Rod had 22 years of experience with Leader Dog as a guide dog mobility instructor and received his master's degree in Orientation & Mobility from WMU. Of the six clients, four eventually returned to train with a Leader Dog and two chose to continue utilizing a white cane.

The first official O&M class consisted of three clients who trained at LDB in September of 2002. They were all instructed by LDB employees. Since this class, Leader Dog's O&M program has continued to grow and now has the capacity to train up to 100 people per year. About 50% of Leader Dog's O&M clients return to train with a Leader Dog.

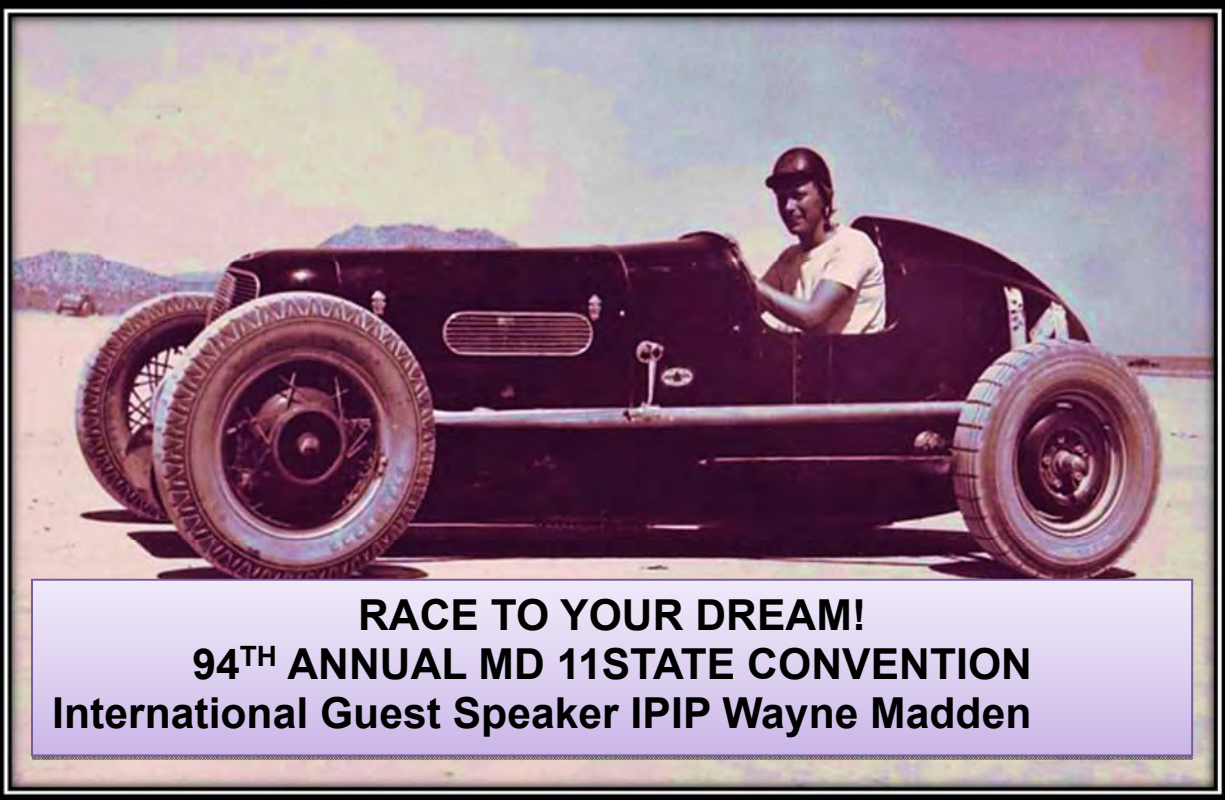

Initially called the Accelerated Mobility Program or AMP, the program's name was changed to Accelerated O&M Training to better reflect the two components of the program: orientation—knowing where you are in your environment and knowing how to get to where you want to go; and mobility—traveling safely through the environment using a white cane.

After a rigorous application and four-day assessment process, Leader Dogs for the Blind was unanimously voted in as a member of the International Guide Dog Federation (IGDF) in February 1999.

The purpose of the IGDF is to serve people who are blind around the world with guide dogs. The 82 member organizations come from 27 countries on six continents.

The Federation provides a way for members to share knowledge, experience and methodologies so everyone can improve the quality of their instruction and operations.
